

Find vokalerne

Lydrette ord på mellem tre til seks bogstaver

Træner:

- vokaler og konsonanter
- endelserne -e og -er

Vejledning

Print siderne ud.

Hjælp barnet med at sige ordet på billedet.

Barnet finder vokalerne plads i ordet.

Barnet lægger en rød brik i cirklerne, hvor vokalerne skal placeres.

Alternativer

Lad barnet sætte et blå X i felterne for konsonanter og et rødt X i felterne for vokaler.

Lad barnet komme en blå brik i felterne for konsonanter og en rød brik i felterne for vokaler.

Lad barnet skrive vokalerne i felterne.

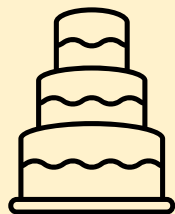

Lad barnet skrive alle bogstaverne i felterne med henholdsvis blå farve for konsonanter og rød farve ved vokaler.

Er der en én vokal? Bed barnet dele ordet i stavelser.

Hvis barnet ikke kan læse ordet, så hjælp på følgende måde:

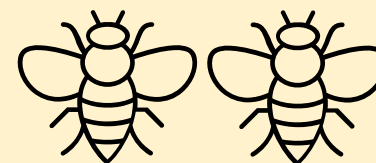

1. Sig første bogstavs lyd
2. Glid gennem ordet ved at bruge bogstavernes lyde
3. Lad barnet gentage
