

Hvad rimer på?

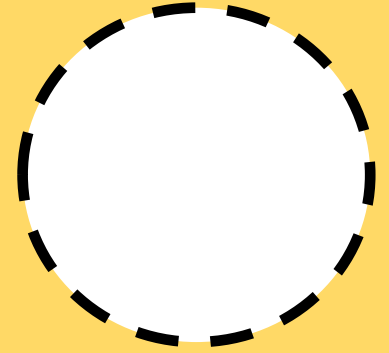

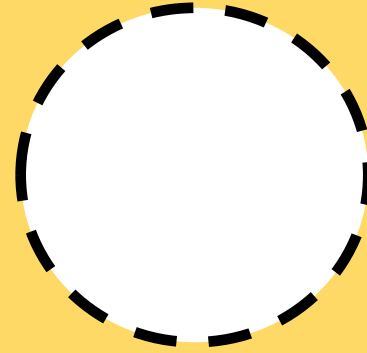

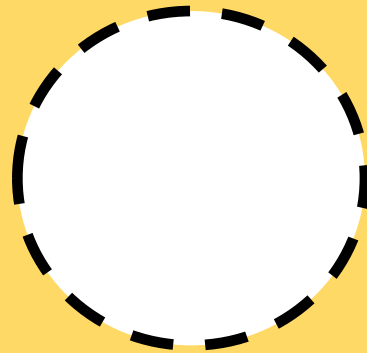

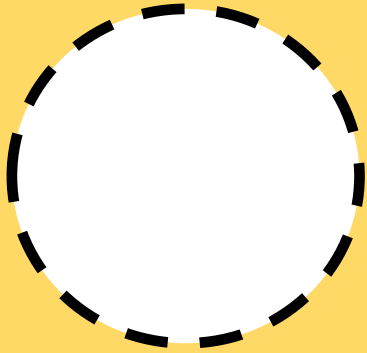

Vejledning

1. Kopier og laminér gerne siderne
2. Klip langs den stiplede linje, så siderne deles i to
3. Klip cirklerne med ord ud
4. Bland cirklerne
5. Find et ord, der rimer på ordet på pladen/pladerne
6. Læs ordet
7. Kom ordet på en af de hvide cirkler på den plade, hvor ordet rimer. Det kan evt. gøres med et sugerør 🍷
8. Ordene kan evt. skrives efter de er placeret på pladen

Det kan også gøres som en konkurrence. Børnene har hver et bestemt antal plader og sugerør. Hvem bliver først færdig med sine plader?

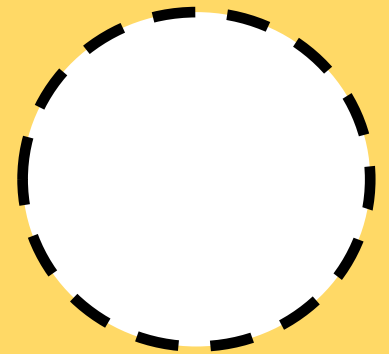

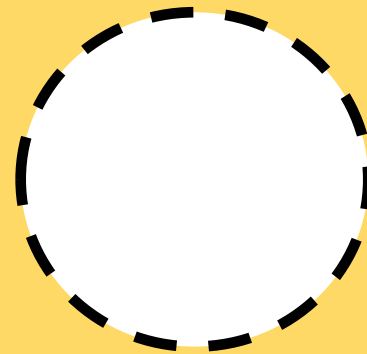

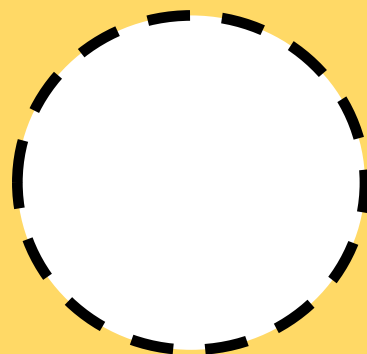

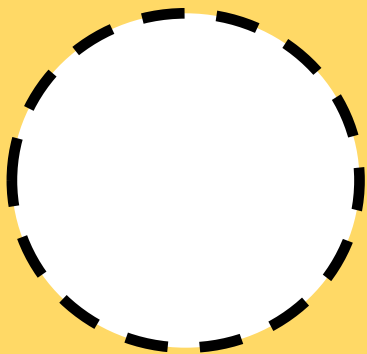

God fornøjelse 😊
