

Bingo med ord på tre stavelser

Vejledning

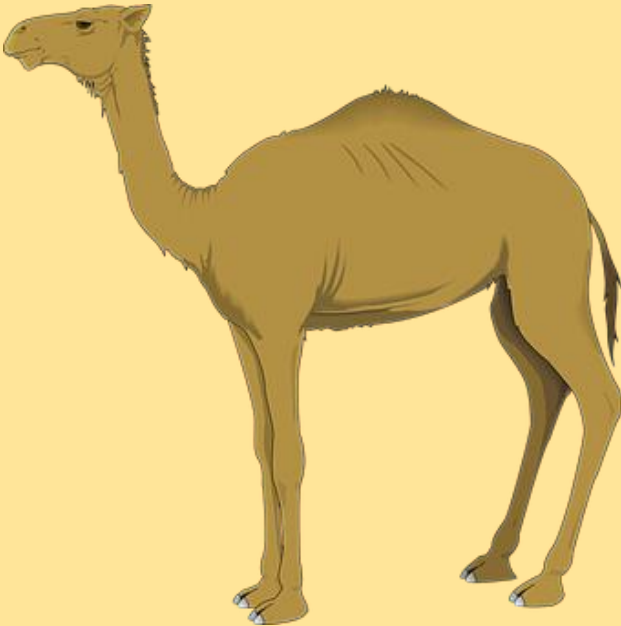

1. Print og laminér bingoplader og kort.
2. Klip kortene ud.
3. Fordel bingoplader blandt spillerne.
4. Opråberen blander kortene og vender dem med bagsiden opad.
5. Opråberen tager et kort og siger stavelsen.
6. Den spiller, der først markerer og har et billede med stavelsen, får kortet med stavelsen og lægger det på feltet under billedet.
7. Opråberen tager et nyt kort og fortsætter.
8. Den spiller, der først har pladen fuld, har bingo.

Laminér evt. plancher og kort, så kan de bruges flere gange.

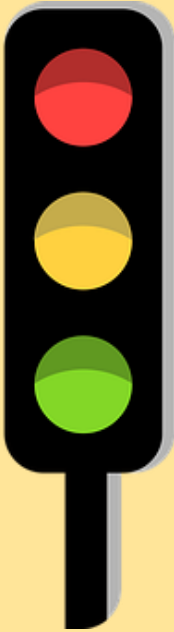

Ord: ananas, dromedar, trafiklys, tulipan, biograf, dynamit, kolibri, politi, domino, penalhus, diamant, koala, tivoli, kænguru, paraply, violin, radio, bikini, mikrofon og trampolin

--	--	--

A vertical traffic light with three circular lights: red at the top, yellow in the middle, and green at the bottom. The traffic light is centered in the upper half of a yellow rectangular frame. Below the frame is a row of three empty rectangular boxes for writing words.

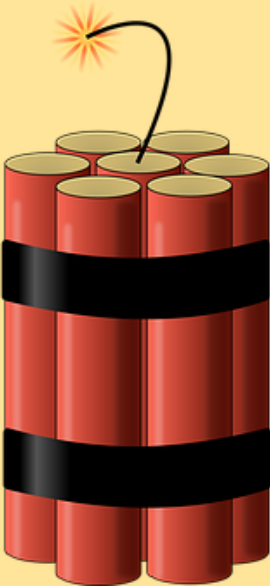

--	--	--

A single red tulip flower with two green leaves and a thin stem, centered in the upper half of a yellow rectangular frame. Below the frame is a row of three empty rectangular boxes for writing words.

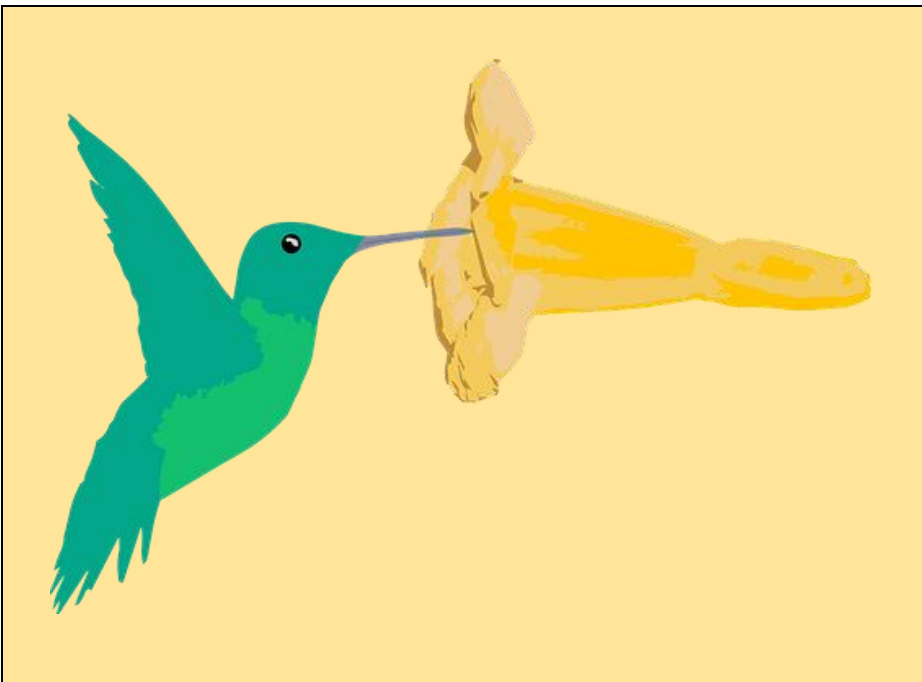

The illustration shows a dark blue stage with a white rectangular area in the center, representing a screen or a set. Below the stage, there is a row of white silhouettes representing an audience. The entire scene is set against a yellow background.

--	--	--

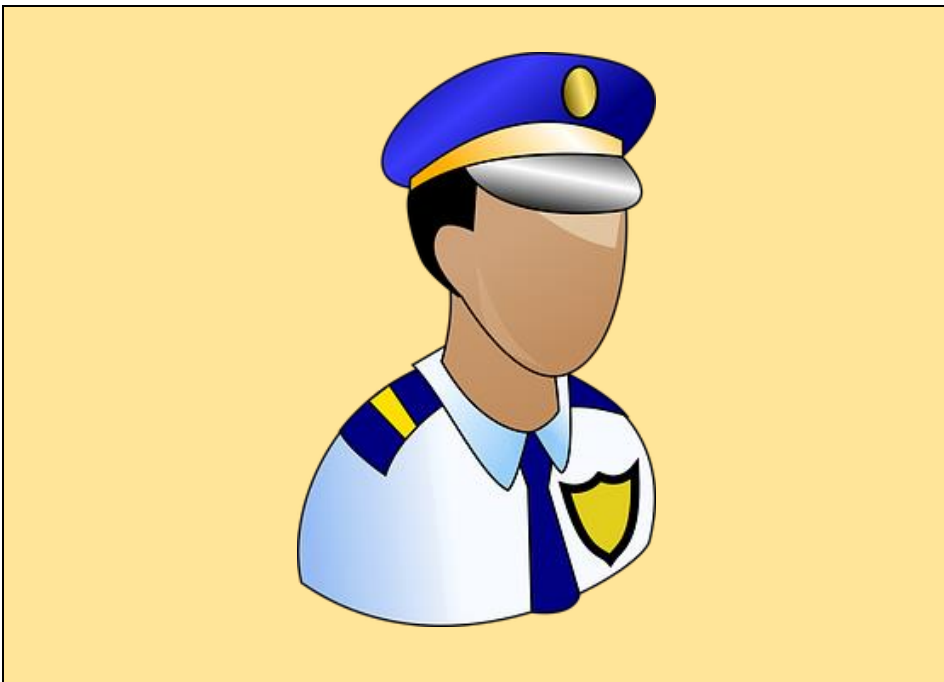

The illustration shows a bundle of red dynamite sticks tied together with black straps. A lit fuse is attached to the top, with a small explosion at the tip. The entire scene is set against a yellow background.
