

# Find vokalerne

Lydrette ord på mellem tre til seks bogstaver

## Vejledning

Print siderne ud.

Hjælp barnet med at sige ordet på billedet i stavelser.

Barnet finder vokalerne plads i ordet.

Barnet lægger en rød brik i cirklerne, hvor vokalerne skal placeres.

## Alternativer

Lad barnet sætte et blå X i felterne for konsonanter og et rødt X i felterne for vokaler.

Lad barnet komme en blå brik i felterne for konsonanter og en rød brik i felterne for vokaler.

Lad barnet skrive vokalerne i felterne.

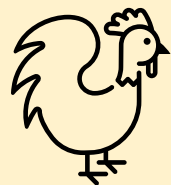

Lad barnet skrive alle bogstaverne i felterne med henholdsvis blå farve (konsonanter) og rød farve (vokaler).

Hvis barnet ikke kan læse ordet, så hjælp på følgende måde:

1. Sig første bogstavs lyd
2. Glid gennem ordet ved at bruge bogstavernes lyde
3. Lad barnet gentage
